

Pet Policy

TERMS AND CONDITIONS

- Guest is responsible for any and all damages to the premises caused by the pet, including, but not limited to: urine, chewing, scratching or destruction of property.
- Pet owner must compulsorily carry bed linen – bed sheets & pillow covers, so that the pet does not destroy or dirty the same in the room. In case your pet is shedding a lot kindly cover the sofa in the room with a bed sheet.
- Always carry your pet/pets vaccination certificate when staying at any of our pet-friendly properties. The owner of the property has every right to ask you to show it to them, to ensure the safety of others staying there.
- Guest must pick up pet poop after pet at all times in all locations.
- Excessive barking is prohibited. If your pet has separation anxiety, do not leave him/her in the room alone. Guests found in violation of this regulation will be fined and/or be asked to leave, forfeiting any remaining rental nights.
- Pets must be even-tempered, well behaved, sociable, and in good health. If your pet is anxious, aggressive, or likely to be highly stressed, it is probably in his best interest to make alternative plans.
- We recommend that all dogs be leashed in any common area.
- Please respect the Property Owner's decision if pets are not allowed in particular areas of the property.
- The safety and complete responsibility of your pet is yours. The owners of the property cannot be held responsible for the same.
- In case of any damage created on any property by your pet, you will have to pay for the damages immediately before checking out. The cost of the damage will be dealt on case-to-case basis and is at the complete discretion of the property owner.
- Once a guest has checked in to the property, there will be no refund for the same. There will no refund in case of cancellation on the day/date of the actual check-in.
- Leave your mobile number with the property owner or at the reception so that they can contact you immediately if your pet is in trouble, when you are not around.
